

Klahhane Parent Pledge
Revised 8/2023

I am aware that my action as a parent or legal guardian will impact the safety of others in the Klahhane Gymnastics facility. Klahhane is counting on me and all the other parents and kids to help keep us all safe and healthy by observing current standards recommended by the CDC, the State of Washington and Clallam County.

The Klahhane expectations for parents and visitors are:

1. Parents will make full disclosure of any/all of the athlete's medical, developmental and social, conditions on the enrollment form.
2. Parents will bring children to the gym with proper attire as described in the policies and procedures handout.
2. All adults observing class will sign in and out on the parent and visitor log in the entry.
3. **Bringing additional children will be kept to a minimum whenever possible. The exceptions are non-mobile infants in carriers or siblings with concurrent, overlapping, or back to back classes.**
4. Parents bringing additional children are expected to directly supervise and entertain them. There is no running, chasing, climbing, jumping or gymnastics allowed upstairs. Children may not play in the storage areas.
5. Parents dropping off athletes will wait until the child has been checked in for class before leaving and will return promptly at pick up time.
6. Please do not bring sick children to participate in class or to watch class.
7. Adults will observe from the loft with the exception of those who are unable to use the stairs. Standing in the entry or sitting on or playing on the stairs is a fire violation.
8. Adults will not "coach from the stands" or distract the children in class in any way.
9. Photos and videos will be taken from the loft without flash.
10. **Parents will leave the observation area 5 minutes before the end of each class and meet children outside the building to avoid congestion in the entrance area.**

I will do my part to help make Klahhane Gymnastics a safe place by being respectful of the gym's expectations for behavior and dress standards. I will explain the requirements to my child and support the coaches and office staff as they work hard to provide a safe place to develop Happy, Healthy and Confident Kids.
